Mouse and Deer
Create Fear
In It Happened Here

IT HAPPENED HERE: The police phone rang at the city hall. It was Thursday night, getting late.

"There's a woman screaming—it sounds like somebody is getting killed," the voice said to an officer. Then she gave a Sloan street address.

Night Patrolmen John Dunn and Link Rann hopped into the black police car with red wheels and sped westward, then southward, then westward.

They arrived at the address, ready for anything.

They found something. A mouse. What had happened was this. The Mr. and Mrs. were visiting a short distance away and daughter had some friends at home with her. When Mr. and Mrs. returned, Mrs. saw a live mouse caught in a trap. It was a mouse the girls had not seen. Mrs. picked up the trap and that set off panic in the household. The girls screamed and screamed and screamed. They screamed bloody murder. I guess, because neighbors wondered what was going on and called police.

Last night not a creature was stirring, not even a mouse.

IT HAPPENED NEAR HERE: R. H. Craven had to have some damage to his automobile repaired and you ought to stick around and see how he got it.

He was driving on the new Route 145 near the Dixon Springs Experimental station earlier this week when he saw an antlered deer running onto the highway.

Mr. Craven, definitely not wishing to strike and maim or kill a deer, swerved and came to a stop. But was this creature of our wildlife in southern Illinois appreciative? I should say not.

The villain, instead of saying thank you to Mr. Craven, attacked the car. Yes, sir, he made a bee-line right to the car and gave it a good going over. Cost of repairing this damage, I understood, was \$159.

THE JUNIOR HIGH SCHOOL TRUMPET edition (Volume 27, No. 2) is out again and I've read every word in it. Quite a newsy paper, this periodical. And the editorial comment, in some instances, is right there in the news stories where nobody will miss it.

An example is this item by Jerry Kane:

"The attendance at Junior high was very good for the month of September. The 7th grade boys had the highest attendance record of the school. The girls in 8-A and 8-L and the boys in 7-C got special recognition for being perfect in attendance during the month."

"The big, strong, sturdy, healthy 8th grade boys had the poorest record in attendance. Even the poor weak 7th grade girls beat them in attendance. Come on boys, let's see if we can't get to the top in the month of October."

Sentence Two
Soldiers for
Beating Student

MARION, Ill.—Two young soldiers who admitted beating Lee Roy Willis, 19, of Shawneetown with a handgrenade in an attempt to make him turn over his wallet were under prison sentence today.

The two, Russell Dean, 19, of Ravenna, Ohio, and Milfred Ward, 19, of Hazel Park, Mich., were sentenced by Circuit Judge Harold L. Zimmerman of Marion to terms of from two to five years in the state penitentiary after they entered pleas of guilty to indictments charging them with assault with intent to rob.

The two soldiers were on a 24-hour pass from Camp Campbell, Ky.

Willis, a student at Southern Illinois university, was picked up by the soldiers in Harrisburg as he was en route to Carbondale to his classes. They told him they would take him to Carbondale.

However, young Willis was pushed out of the car near Marion and was hospitalized for two days with head cuts.

Officers were notified and they sent out a description of the soldiers' car. They were arrested near West Frankfort 30 minutes after the police radio broadcast.

Scott Base Airman, 17, Indicted on St. Louis Robbery Charge

ST. LOUIS — A Scott Air Base airman has been indicted on a robbery charge in St. Louis.

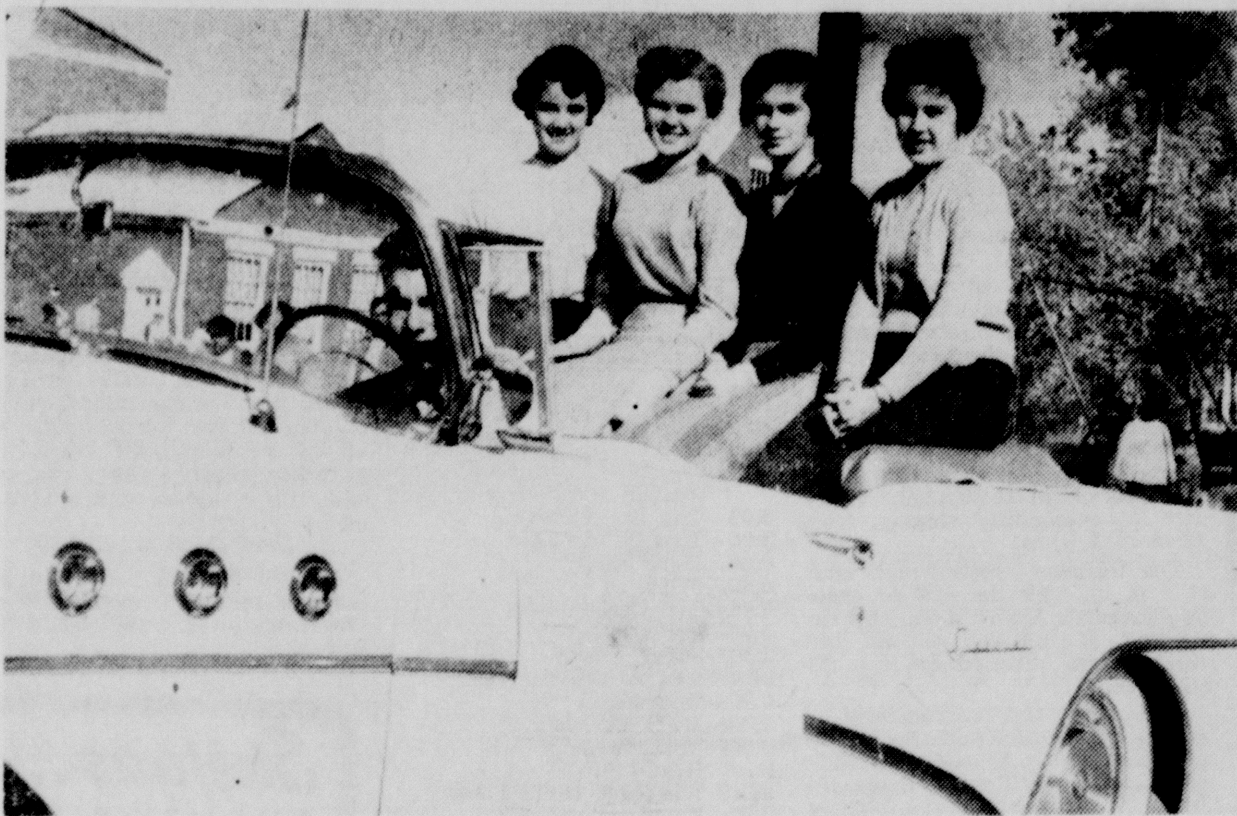

He is Airman Eugene Kmetz, whose release from jail was ordered last Tuesday by Circuit Judge James E. McLaughlin.

Circuit Atty. Edward L. Dowd Friday disclosed that an indictment had been voted after the 17-year-old serviceman refused to waive extradition from Scott Air Force Base, where he is being held by military authorities. Dowd said steps would be taken to bring Kmetz to St. Louis.

Miss Carolyn Absher Crowned Carrier Mills High School Homecoming Queen

Miss Carolyn Absher is 1955 Homecoming Queen of Carrier Mills Community high school.

In a beautiful ceremony held at 11:30 p. m. Friday in the CMCHS gymnasium Miss Absher was crowned Homecoming Queen. Members of the Royal Court are Miss Jackie Heaton, lady in waiting; Miss Beverly Parsons, maid of honor; Miss Carolyn Holmes, senior attendant. Also in the coronation ceremony were class attendants—freshman, Miss Beverly Parks; sophomore, Miss Dianne Lightfoot; junior, Miss Janice Harrowood.

The coronation was the climax of the third annual homecoming at Carrier Mills Community high school, which started Thursday evening and continued through Friday.

Thursday evening there was a bonfire, pep rally and snake dance. First thing in Friday's program was the parade. Then came basketball games, dance and coronation of the Homecoming Queen.

The parade started promptly at 2 p. m., and crowds lined the streets in perfect fall weather. There were twenty-eight units in the parade, headed by the fire truck. Next came the CMCHS band, complete with color guard, drum major and twirlers.

The queen candidates riding in an open car followed the band; other units in the parade were the attendants, also in open convertible. Class of 1957, Class of 1959 (two vehicles), FHA, Gaiety club (two vehicles), Class of 1956, Lions club, Martin's Oil company, Women's club, Gayettes, Class of 1958, Friendly Club, Class of 1959, Future Business Leaders of America, Illiana club, Rebekahs, Student Council, Class of 1954, Class of 1953, Lewis Bunny Bread, Alumni car, O'Keefe Lumber Co. and Dr. H. B. Harris of Owensboro, Ky., with his calliope.

First, second and third place winners were announced in two divisions—open classification and high school.

In the high school classification the Class of 1956 float was the winner. It was a hanging scene with a group of Carrier Mills cheer leaders hanging "Rosiclar" and entitled "Pulling for Rosiclar."

The Freshman class took second place honors and the Junior class was third.

In the open classification the Gaiety club was first, Rebekahs second and the class of 1939 was third.

Jack Parshall, Civil Aeronautics Board investigator, confirmed he had heard rumors the plane was sabotaged but said, "we have no answers to them at this time."

"It's a little too early to make any conjectures," Parshall said. "We're studying the whole thing with an open mind."

Parshall said that parts of the demolished DC6B airliner had been sent to the FBI laboratory in Washington for analysis.

Parshall was mum on what else investigation by the CAB, United Air Lines, and Douglas Aircraft, said the probe so far had come up with "evidence of explosives forces."

This bore out eyewitness accounts of the Tuesday night crash that the plane exploded in flight.

Parshall was mum on what else the investigation had turned up. But he predicted the probe would be a long one. He said much depended on what the laboratory reported.

The investigators questioned witnesses Friday who live near the scene of the crash. They also said they are continuing their piece-by-piece inspection of the scattered wreckage.

Parshall said the laboratory reports should be completed in about 10 days.

Youth, Teen-Age Girl Found Dead in Auto Near Grayville

GRAYVILLE, Ill. — A 20-year-old man and his teen-age companion were found dead in his car parked on a country road near here Friday.

Police identified the couple as James Sales, Cowling, and Betty McDonald, Grayville. They did not know the girl's exact age.

Two women found them in the car 2 1/2 miles north of here. The 1949 model convertible coupe had run out of gas and the ignition switch was on and the heater was running.

Employees of a Grayville service station where Sales had worked said he bought the car recently and it did not have a muffler. Edwards County Coroner John Reid will hold an inquest into the deaths.

State Dep't Calls
In Egyptian,
Israel Envoys

Trouble-Shooter
Allen to Ask
Halt to Fighting

WASHINGTON — The State Department today called in the Israeli and Egyptian ambassadors to urge that their nations cease fighting and cooperate with United Nations peace efforts in the Middle East.

Assistant Secretary of State George V. Allen, the department's top Middle East trouble-shooter, planned frank, but separate, talks with Israeli Ambassador Abba S. Eban and Egyptian Ambassador Ahmed Hussein.

The urgency and importance of the talks were reflected by the fact that the State Department made extraordinary efforts to confer with the two envoys Friday night. But when meetings then could not be arranged, they were quickly set for today.

Seek Demarcation Line

The talks marked the latest U. S. effort to quell the bloody fighting which threatens large-scale war. The State Department is particularly anxious that both sides stay out of the El Ajia demilitarized area and support creation of a demarcation line in the disputed region as proposed by the U. N.

Eban arrived in Washington Friday night from meetings in Geneva with Secretary of State John Foster Dulles and in New York with U. N. Secretary General Dag Hammarskjold. The Israeli envoy planned to give the State Department a list of arms his country Egypt from the Soviet bloc.

Diplomats would not say what the United States' response would be to Israel's request. Dulles has said only that the arms request will receive "sympathetic consideration."

Former Labor Racketeer Killed by
Dynamite Bomb in Pickup Truck

PHOENIX, Ariz. (UP)—Gangsters bent on revenge, possibly members of the dreaded, murderous Mafia, were blamed today for the violent car-bomb death of former labor racketeer William (Willie) Bioff, 54.

"We're certain it was a revenge killing," said Sheriff's Capt. Vernon La More. "We're trying to determine whether any known gangsters were here at the time of the killing, but it's a pretty tough job."

The former convict, found guilty in 1941 of a one million dollar extortion plot on the movie industry, was killed Friday when he stepped on the starter of his pickup truck and triggered a bomb, believed to be made of dynamite.

Bioff was blown 25 feet through the steel top of the truck's cab. His body was blown to pieces from the waist down. The explosion also tore off his right arm and leg. Tiny pieces of his body were scattered throughout the yard of his \$40,000 home.

Bioff and Browne, however, were released from prison only a year after the trial. Browne had been hiding since his release and last was heard from in Richmond, Ill., more than seven years ago. Bioff had been living here under the name of William Nelson.

Teamsters' Leader Makes No Apology For New Building

WASHINGTON (AP)—Dave
Beck, who thinks his Teamsters
Union should have the best that
money can buy, was making "no
apologies to anyone" today for the
union's new five-million-dollar
marble- and glass headquarters here.

The fiery, 61-year-old leader of
the AFL's largest union made this
clear as some 2,000 of its 1,400,000
members gathered here to dedi-
cate the building Friday.

To aid their celebration, the
truck-drivers and warehouse and
cannery workers had a half dozen
Hollywood and TV stars to enter-
tain. AFL President George Meany
to speak and college graduates in
bright blue-and-gold uniforms to
usher them around.

Cook County Sheriff Hits State Police

CHICAGO (AP)—Cook County
Sheriff Joseph Lohman said angrily
today that announced state po-
lice plans to make gambling raids
in his territory are "unadulterated
malarky."

The Democratic sheriff snorted
at the announcement Friday by
State Police Supt. Phil Brown that
state police will make gambling
raids in Cook and seven other
counties without further warning
to local authorities.

Brown's announcement is "pure,
unadulterated malarky and they're
not acting in good faith," Lohman
said.

He included Gov. William Strat-
ton in his attack, saying "It's a
shame that a governor of a state
has to trifle with law enforcement
for cheap partisan, political pur-
poses."

"Where has Mr. Stratton and his
police department been for three
years? Two of his years in office
this county was notoriously open
under the previous sheriff's admin-
istration. It took the federal govern-
ment to make pinball arrests
downstate. We have made them
in Cook County."

Brown has served notice that
gambling raids can be expected
in Cook, Madison, St. Clair, Alex-
ander, Coles, Grundy, Marion and
Mason Counties.

"Our men have found gambling
in these areas and local authorities
have been informed a sufficient
number of times. Raids will be
made without further notification,"
he said.

Seven of 10 Convicts Back Behind Bars

WALLA WALLA, Wash. (AP)—
Seven of the 10 convicts who es-
caped by tunneling 60 feet under
the state prison wall were back
behind bars today and a wide-
spread search was on for the three
still at large.

Three of the escapees were cap-
tured Friday night at Milton-Free-
water, Ore., only three miles south
of the prison gates. Four more
had been cornered earlier Friday
in a farm field about 16 miles
north of the prison. They all sur-
rendered without opposition.

she sees "no reason to change"
her support for Adlai E. Stevenson
for president in 1956.
The late President's wife, here
to make a speech, said "I sup-
ported Stevenson last time and I
see no reason to change."

Mitchell Criticizes Toll Road Program In Cairo Address

CAIRO, Ill. (AP)—Stephen A.
Mitchell, former chairman of the
Democratic National Committee,
fired another salvo at the Illinois
toll road program Friday.

Mitchell, who said he is "explor-
ing the possibility" of running for
governor next year, criticized
Evan Howell, chairman of the
State Toll Highway Commission.

Mitchell told the Alexander
County Democratic organization
that "during the 18 months as
chairman, Howell spent over \$5-
000 for travel expenses and over
\$6,000 for hotel bills. And Howell
bought an automobile" paid for
with toll commission funds, he
said.

Mitchell, speaking of the National
Turnpike Assn. that Howell or-
ganized, said there were "big in-
flation fees and dues from the
people who were road contractors
and bankers. But the protests
were so loud that the association
collapsed."

But, Mitchell said, "the man
who fostered this brazen idea is
still running the Illinois toll road
program."

"If this is the Republican gov-
ernor's 'greatest achievement,'"
Mitchell said, "what kind of mess
has he made out of the rest of the
state government?"

Irate Texan Offers Farm to Benson

FORT WORTH, Tex. (AP)—An
irate Texas farmer today offered
to give Agriculture Secretary Ezra
T. Benson his 610-acre irrigated
farm "if he will make it pay under
his sliding-scale program" of farm
price supports.

Jay Boston of Hereford, Tex.,
made the offer in testimony pre-
pared for farm price supports be-
fore the Senate Agriculture Com-
mittee here. The committee is on
a nationwide tour to find out what
if anything—farmers want in-
cluded in a new farm bill next
year.

With other witnesses, Boston
also urged the committee approve
a "soil fertility bank" program
under which 5 to 25 per cent of
the nation's 354 million harvested
crop acres would be turned to
grass to curb surplus production.

Farmers who divided sharply in
their views on the price support
levels were agreed on the soil
bank plan.

File Foreclosure Suit on 40 Homes in Metropolis Subdivision

EAST ST. LOUIS (AP)—A suit
has been filed in Federal Court
at East St. Louis to foreclose
mortgages on 40 houses in a sub-
division at Metropolis.

The homes were built by Roestel
Investments Inc., as housing for
employees at the Joppa plant of
Electric Energy Inc. At that
time, the plant was employing
some 2,000 persons. Now the em-
ployment figure is down to 200
and many of the homes are vac-
ant.

The Federal National Mortgage
Assn. filed the suit Friday in
Judge Fred L. Wham's court.
Wham set Dec. 1 for a hearing
on the appointment of a receiver
for the Roestel firm.

painters, died here today at the
age of 71.

Utrillo was one of the artists
who immortalized the Montmartre
section of Paris shortly after the
turn of the century.

occurs when the moon is more dis-
tant than usual, so that around its
disk a thin ring of unobscured true
sunlight is visible.

Endless Circle
Ants quickly learn to follow
trails, but if a trail should happen
to form a circle, the ants may fol-

1,700 in Training
Under Six Months
Reserve Program

WASHINGTON (AP)—The Army announced today that 697 youths started six months of reserve training this month. This brings to about 1,700 the number now in training under the new reserve program.

The total is only about one-third of the 5,000-man quota the Army set for the October-December period. It raises the possibility that the services will fall short of its first recruiting goal under the new reserve law.

New Hampshire has eight mountains, each over a mile high, and 1300 ponds and lakes.

FARMERS GET BIGGEST REDUCTION

Saline County farmers are the most fortunate in so far as this rate reduction is concerned because the savings on farm automobiles and trucks in Saline County runs as high as 35%.

These savings are only possible when the insurance is written by companies which are members of the National Automobile Underwriters Association. These companies operate only through bona fide local agents like the Robertson-Ghent Insurance Agency.

In view of this reduction by these companies, it is recommended that all buyers of insurance verify their renewal policy rates with a bona fide local agent.

Tips on Traffic Safety
By CHARLES F. CARPENTIER
Secretary of State

It seems that some motorists cannot be reminded enough of the foolhardiness of the maneuver of swinging open the door on the left hand side of a vehicle without checking the traffic coming from the rear when they are alighting from a car. There is no excuse whatever for anyone to become involved in an accident of this type. It takes only a matter of seconds to check and see if there is any traffic approaching from the rear before opening the door. When parking in a district where a clear view may be had by the use of the rear view vision mirror, a check through the mirror is usually sufficient. However, when getting out of a car which is parked closely in front of another vehicle, the motorist should take the added precaution of running down the window next to his seat and making a thorough examination of the traffic coming from the rear.

The driver of a vehicle who is suddenly confronted by a door swinging open and a person getting out of a vehicle in front of him has little if any chance of avoiding an accident. Besides the life of the motorist alighting from the parked vehicle, other lives are at stake. The driver of the vehicle approaching from the rear may—in that short space of time in which he must make a decision—decide to swerve sharply to his left. He thus endangers motorists coming from the opposite direction.

A copy of the completely new "Rules of the Road" booklet will be sent to you free upon request. Write to CHARLES F. CARPENTIER, Secretary of State, Springfield, Illinois.

"I'LL BE GLAD TO"

When they want an angel food cake for the church bazaar, Mrs. Turner is apt to be asked to bake it. She almost always responds to such requests with a simple, "I'll be glad to."

If you ask people about Mrs. Turner, they will tell you that she is one of the happiest women in town. Yet not so long ago she was feeling pretty sorry for herself. Life seemed such a humdrum affair. As an accomplished musician, she had had dreams of the concert stage, but marriage and children had changed all that. Somehow it didn't seem fair!

Then one Sunday, a friend persuaded her to go to church. The sermon happened to be about the ingredients that make a full and happy life. The things the minister said struck home, and the next Sunday she found herself back in church again. Then one Sunday Mr. Turner went along, and next, the youngsters.

Now Mrs. Turner is still "just a housewife," but she is dissatisfied with her role? Look at her face, and see for yourself! It took the Church to show her that she already possessed all the tools needed for fulfillment and happiness, if she would but use them. Now, she does.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

'Jesus Meets Needs'

Luke 5
GOLDEN TEXT: "They that are in health have no need of a physician; but they that are sick, I am not come to call the righteous but sinners to repentance." (Luke 5:31-32)

INTRODUCTION: The first thing that a person does after he becomes a Christian usually is to tell someone else about it. Jesus once referred to this as "the first love." Recently, in a revival meeting, a young man found Christ as his Saviour. He had been causing his family much trouble because of his sinful living. The first thing he did was to call his wife and tell her that he had found Christ as his personal Saviour. Today he and his family are very happy.

In our lesson today we find a man, Matthew, the publican, who was hated by his own countrymen, coming to know Christ. The very first thing he did was to prepare a banquet and invite his friends in; so that he could tell them about Jesus.

I SOME MIRACLES (Luke 5:1-26)

1. THE DRAUGHT OF FISHES (V. 1-11). Talk about your fish stories! Look at this one. It is true! Jesus had been standing in the boat talking to the crowds of people on the shore. Jesus suggested that they push out into the sea and let down the nets. Now, Simon Peter and these other disciples were experienced fishermen. Peter could have said: "It will do no good; we have fished all night and caught nothing." However, because his Master suggested it, he let down the nets. A miracle took place. So many fish were caught that they could hardly pull the nets into the boats. It is always this way when we do what God wants us to do.

2. THE LEPER HEALED (V. 12-16)

— Here is a man in desperate need. He is a leper. Leprosy is a hideous disease. It causes the

Additional Church Notes
On Page Three

flesh to rot and drop off the bones. It causes one to die by degrees. Sin is like leprosy. It is to the soul what leprosy is to the body. Like leprosy, sin can be healed only by Jesus, the Son of God.

Ever since this man had known he had leprosy, he was forced to separate himself from loved ones and friends. Sin will separate one from God and loved ones. Sin is more destructive than leprosy. Its effects are eternal.

3. THE PARALYTIC CURED (V. 17-26)

— In the Holy Land houses have flat roofs. They have stairs leading to the roof on the side of the houses. Here we see four friends bringing a sick friend to Jesus for healing. It had been noised about that Jesus was in the house, and the crowds were so great that these men could not enter. They carried their sick friend up onto the roof, tore part of the roof away, and let their friend down into the presence of Jesus. "When he saw their faith, he said to the one sick of palsy, thy sins be forgiven thee." He said also: "take up thy bed and walk." The man did just that.

JESUS IS STILL IN THE BUSINESS OF HEALING SOULS AND BODIES.

This man was "Levi" the tax collector before he met Jesus. He is Matthew, one of the Twelve Apostles and the author of the first book of the New Testament. Jesus said one word to Matthew — "Come." Matthew left his work and followed Jesus.

Matthew made a great feast and invited many others to attend. He told them what Jesus had done for him and what he could do for them. This is as it should be. All of us are duty bound to give our testimony for Jesus sake.

The Pharisees and scribes murmured against Jesus saying, "Why do you eat and drink with publicans and sinners?" Then it was that Jesus uttered the words of our golden text: "They that are in health have no need of a physician; but they that are sick. I am not come to call the righteous but sinners to repentance."

sinners to repentance."

CONCLUSION — Jesus "went about doing good." He healed the sick, the lame, the halt, and restored sight and life to the blind and dead. The most wonderful thing is that Jesus is still in that business today! Let any person hear his call, like Matthew, to "come," and let that person heed his call; and that one will know the saving power of a personal Saviour.

West Virginia, Miami Win in Near Upsets

By United Press
On the basis of early returns, this could turn into a "lost weekend" for the nation's major college football teams.

Eighth-ranked West Virginia was such a heavy favorite over George Washington in their Friday night game at Washington that no odds were quoted on the game. So what happens? The undefeated Mountaineers had to come from behind in the second half to eke out a 13-7 triumph.

In another near upset in the Orange Bowl, the University of Miami Hurricanes hardly looked like 21-point favorites in battling to a 14-7 squeaker over Boston College.

West Virginia blew hot and cold in the frigid confines of Griffith Stadium. The Mountaineers looked shocked when Mike Sommer of George Washington raced 89 yards for a touchdown in the first period. However, halfback Bob Moss finally got West Virginia rolling midway through the third period. He clicked off a 22-yard run and then scampered 43 yards for a touchdown. In the fourth period, the Mountaineers rolled 98 yards for their decisive score with Larry Krutko plunging for the final two yards.

Two touchdowns by speedy Jack Losch carried Miami home in front of Boston College.

Score in Final Period
Boston College, which rolled up 20 first downs to seven for Miami, finally scored in the fourth period on a 14-yard pass from quarterback Bill Donlan to halfback Ed De Silva.

Michigan, Oklahoma and Maryland — the other perfect record teams in the major college ranks — are heavy favorites in Saturday games. But, as witnessed by Friday night's scores, anything can happen. The top-ranked Wolverines ruled a two-touchdown choice over Illinois, second-ranked Oklahoma was a 22-point pick to make Missouri its 26th straight victim, and third-ranked Maryland was a 19-point favorite over Louisiana State. All three teams are hunting bowl berths and realize that one tumble could ruin their chances.

West Frankfort Ties Bull Dogs, 7-7

Penalties Ruin Local Scoring Opportunities; Fumble On 1-Yard Line

The Harrisburg Bull Dogs moved farther away from South Seven football title contention last night at Taylor Field when they were held to a 7 to 7 tie by the West Frankfort Red Birds.

A defeat of Herrin by Marion and a Bull Dog win over Benton would give the locals the title, but most optimistic fans here are not looking for an upset of the league-leading Tigers. And a tough job rests upon the local shoulders in the Armistice Day game at Benton.

Penalty after penalty ruined Bull Dog chances in the first half and a fumble on the one-yard line in the third quarter, with four downs to push across the goal line, spoiled another chance.

Beal Scores
Lone Harrisburg touchdown came with 25 seconds remaining in the third period and it tied the count at 7 to 7. Tony Beal crashed through the Red Bird line and powered his way for 30 yards to score. He then plunged through for the extra point.

The Frankfort tally was one of those things that has been plaguing the locals all year. A long pass — good for 65 yards — did the trick. There were less than 50 seconds left in the first half and Frankfort had the ball on its own 43. Quarterback Jerry Morrison threw to Don Griffin, who grabbed the ball and ran all the way to the one where he was downed by safety man Jim Cummins. On the next play Morrison went over. He passed to Joe Wendryhoski for the extra point.

The Bull Dogs contained the Frankfort attack very well except for the long pass that set up the score. Aside from it the Red Birds made but 35 yards rushing and 24 passing.

Penalty Wipes Out Score
Frankfort made its longest gain of the evening by rushing on the first play from scrimmage, when Dick Doty went through for 12. Then Harrisburg superiority showed up, except in the penalty department. On Harrisburg's first play from scrimmage Jack Wright

ran 57 yards to score but there was a flag on the play and the locals got 15 yards for clipping instead of 6 points for scoring.

The locals, undaunted, started rolling again but a 15-yard holding penalty set them back.

Frankfort remained impotent on defense the rest of the first period but in the second they started moving toward the Harrisburg goal. This drive came after Harrisburg intercepted a WF pass and moved into WF territory, but the locals, instead of having the ball and a scoring opportunity, got another 15-yard penalty, this time for pass interference. That gave Frankfort the ball on the H-19, but the locals held.

Lose Ball on Fumble
Harrisburg made one first down, then punted to Frankfort on the WF-43, and it was there that Morrison threw the long one to Griffin.

The Bull Dogs roared down the field at the outset of the third quarter. Donald Biggs got things going with a 29-yard jaunt from the H-33 to the WF-38. Wright and Beal combined for 13 yards, then Wright made 12 and Beal 5 after Biggs had lost 4. Beal made 5 to the 7, then passed six yards to Wright on the 1, where the locals had a first down.

On the next play Harrisburg fumbled and Wendryhoski recovered on the H-3. Frankfort punted out and on the second play that followed the Birds recovered a Harrisburg fumble on the H-49. But Frankfort chose to pass and Bill Henshaw intercepted, running 35 yards to the WF-30.

Beal made 6, Wright 3 and Beal 6 to the 15, but the locals lost 15 for holding back to the 30. After one incomplete pass Beal drove hard and fast for the entire 30 yards to score. He also went over for the point.

Passes Intercepted
In the last quarter Harrisburg moved to the WF-12, but lost the ball on downs.

In the closing minutes both teams tried desperately to score, with the last three passes thrown being intercepted, twice by Harrisburg and once by Frankfort. On the last play of the game Wayman Heffner intercepted a Frankfort aerial and ran 42 yards to the WF-27. But the clock ran out.

The locals played with very little substitution last night. Freddie McKenzie was knocked out the first time he carried the ball, on a punt return, and was taken to the showers where he put on his civilian clothes.

Coach Lawrence Calufetti used Jim Williams, Bill Henshaw and Bennie Fulkerson at ends, Everett Evans, Ken Price and Ronnie Reynolds at tackle, Richard Hess, Jay Waite and Lou Williams at guards, Ronnie Williams and Ronnie Vick at center, Wayman Heffner and Mike Hays at quarterback, Jack Wright, Donald Biggs and Fred McKenzie at halfbacks and Tony Beal at fullback.

Parents Night
The statistics show:
First downs—Harrisburg 5, West Frankfort 7. Net yards gained rushing—Harrisburg 134, Frankfort 24. Yards gained passing—Harrisburg 6, Frankfort 91. Total yards from scrimmage—Harrisburg 140, Frankfort 115. Passes—Harrisburg completed one out of 10 for six yards with one intercepted. Frankfort completed five out of 13 for 91 yards with three intercepted. Penalties—Harrisburg 90, Frankfort 43.

In local ball-carrying statistics, Beal carried 14 times for a net 70 yards, an average of 5.7 yards per try. Biggs carried seven times for a net 21, an average of 3. Wright carried 13 times for a net 26 yards, a 2.7 average.

It was Parents Night and before the game each Bull Dog squad member and his parents were introduced. The mothers were given mums as they were introduced.

Eagles Capture 21-13 Decision From Marion

Eldorado Scores Touchdowns in First Three Periods

Eldorado scored touchdowns in each of the first three quarters to take a 21-13 decision from Marion last night. The game was played on the Eldorado gridiron.

Eldorado scored midway in the first quarter, starting a drive from midfield. Acie Gwaltney's 18-yarder and a 15-yard gain by Lovellette played a big part in the drive and Bob Potts cracked through tackle for the TD. Lovellette plunged for the point.

Marion came right back on a 76 yard run by Jack Anderson. He was hauled down on the 14-yard line, and in two plays Marion had scored, Guley going 11 yards for the TD. Jim Anderson kicked the point and the score was knotted at 7-all.

In the second quarter Eldorado scored on a 14-yard carry by Lovellette and Potts ran for the point.

The top play of the game came on the kickoff to open the second half. Eldorado's kicker got off a beautiful effort, the ball rolling to the two yard line. Jack Anderson, Marion speedy back, picked up the ball, raced down the east side of the field to the 50, angled across to the west and scored standing up. It covered 98 yards and was a beauty. The point try failed and Eldorado led by a point.

However as the third quarter was running out the Eagles scored again. Gwaltney ran ten yards into the end zone for the TD and Lovellette carried for the point. This ended scoring for the evening.

Eldorado now has a record of four wins, three defeats, one tie and will end the season Nov. 11, entertaining Fairfield.

Starting for Eldorado last night: Kingery and Chandler, ends; Garrett and McClary, tackles; Putnam and Laffoon, guards; Herron, center; Clark, Potts, Stroke and Lovellette, backfield. For Marion — Shotton and Brown, ends; Fuller and Jackson, tackles; Odum and Kleinman, guards; Ray at center; Jim and Jack Anderson, Guley and Merriwether, backfield.

Stille of Harrisburg, Hugg of Du Quoin and Smith of Pinckneyville were the officials.

Belleville, East St. Louis Move Toward Big Clash; Herrin Jolts Johnston City

By United Press
De Kalb and Decatur St. Teresa were spilled from the ranks of the unbeaten in games on a Friday night high school football card that closed the season for many elevens.

Belvidere successfully pointed for De Kalb, winner of seven in a row, and nosed out the Barbs 16-13.

St. Teresa had five victories and one tie but Friday night was soundly trounced by Danville Schlarman 26-7.

Belleville and East St. Louis moved on toward their climactic Turkey Day clash with victories. Belleville won its eighth 19-7 over Alton. The Flyers crushed Granite City 25-0, for seven wins against one tie by St. Louis University High.

West Frankfort, a South Seven League doormat until Friday night, tied hopeful Harrisburg 7-7, leaving Herrin, with a 4-1 mark, as the conference leader.

Most of Griffith Stock in Senators Left to His Widow

WASHINGTON — Most of the late Clark Griffith's stock in the Washington Senators was left to his widow. The late Griffith, however, held 4,432 shares of stock in the club, valued at from \$100 to \$125 a share. That would make his holdings worth around \$500,000.

John E. Powell, attorney for the Griffith estate, did not disclose how many shares actually were left to Mrs. Griffith. The late Griffith, however, held 4,432 shares of stock in the club, valued at from \$100 to \$125 a share. That would make his holdings worth around \$500,000.
